

判断类

The diagram features a central green-outlined box on the left containing the text '判断类'. From the right side of this box, two lines branch out towards the right. The upper line is dark blue and leads to the text 'isinstance', which is positioned above the Chinese text '判断数据类型'. The lower line is a lighter blue and leads to the text 'issubclass', which is positioned above the Chinese text '判断父类'. All text is in a clean, sans-serif font.
